Dear Friends,

It is a pleasure to extend my warmest greetings as you gather for Act Now Foundation's sixth annual Music & Memories Gala.

For years, Act Now Foundation has been a guiding light for individuals, families, and communities affected by dementia in New Jersey. Through advocacy initiatives and providing an array of vital resources, such as crisis management, caregiver support groups, and long-term care planning, Act Now Foundation continues to improve awareness, promote access to care, and champion those faced with the daily challenges of Alzheimer's and related dementias. As you celebrate, please know that I am grateful for all that you do to uplift, empower, and advocate for New Jersey residents impacted by this disease.

Again, congratulations on another year of dedicated service! I look forward to celebrating your continued success.

Sincerely,

A Message from our Co-Founders Kristine Allen & Cary Lopez

Dear Friends,

On behalf of our Board of Trustees, our Gala Committee, and the entire staff at Act Now Foundation, we would like to thank you for attending our 6th Annual Music & Memories Gala.

Our mission has always been clear: to provide unwavering support to those affected; and strive relentlessly towards a world without dementia. Together, we have made significant strides. Yet, the battle is far from won.

We implore each of you to stand with us tonight in this fight. Whether you're a donor, a volunteer, a caregiver, or someone who has been touched by dementia, your role is crucial, and your dedication fuels our progress.

We are at a pivotal moment. By banding together, we can turn the tide against dementia. Each action, no matter how small, is a step closer to a world where this disease no longer robs individuals of their memories and dignity.

Tonight, we SHINE a light on dementia in hopes of raising awareness about a disease that affects us all.

Tonight's proceeds will benefit Act Now Foundation's programs and services that support, educate, screen, and advocate for families who are living and struggling with Alzheimer's disease or related dementias.

I urge you to join us in our unwavering commitment to defeat Alzheimer's. Together, let's create a future where families are no longer burdened by this devastating illness.

Thank you for your ongoing support and dedication. Together, we are making a difference.

Home at Last offers a complimentary assessment of the home. We can purchase the home in a little as a few weeks, in the AS-IS condition.

Compare that to the family having to spend 3-6 months and often a lot of extra money to update, repair, and clean the home before even listing it for sale!
